A gang of armed men, hired a car, detain chauffeur,
commandeered car, and kidnapped son of a merchant
as he was leaving school.

At 3.50p.m. 26/9/40, a telephone call was received at this station from the McTyeire School, 11 Edinburgh Road, reporting that a pupil of the Primary Section of the school, 15-A Edinburgh Road, had been kidnapped by a gang of armed men as he was leaving the school.

A party under Officer i/c B.W. turned out, and on arrival, it was learned that the kidnappers had already made good their escape with the victim.

Miss C. Chang (), a teacher of the school, was able to give the following information:-

At about 3.45p.m. 26/9/40, she stood at the main gates as her pupils went home from school. She saw one of them named Sung Tai Tsung (沈濟龍), age about 10 years, cross the roadway, and prepare to get into a motor car which was parked at the roadside. As he did so, three Chinese persons, all armed, grabbed hold of him, and put him into a black saloon motor car, bearing the licence plate 17890.

The armed men also took away the car keys from the chauffeur of the motor car which the pupil had attempted to enter, then got into their own car, and drove off north along Edinburgh Road.

All stations were at once circulated to keep a lookout for motor car 17890.

The motor car standing at the roadside was found to have the licence number 11084. The chauffeur could not be located.

The car, together with the chauffeur Zee Kwang Zung (徐廣生), permit No. 19151, was brought to the station. However, this was proved not to be the car and chauffeur used by the kidnappers. Motor car 17890 and the chauffeur were therefore allowed to go at 6p.m. 26/9/40. Circulation cancelled.

The third person then ordered the chauffeur to drive along Jessfield Road, and when on the stretch of road at the rear of Jessfield Park, the chauffeur was again ordered to stop. The third person then produced a pistol, and ordered the chauffeur to get out. At this time, two more persons appeared on the scene. They came out of a nearby lane, took hold of the chauffeur, and led him back into the lane.

About half an hour later, the two men allowed the chauffeur to go. He was given \$10.00 and told that if he went to Robison Road near Klacchow Road, he would find his car.

The chauffeur went to the location given, found his car, and at once reported to the Police.
